About SONICS Inc CKRZ

In January 2018 we will be celebrating 28 years of around the clock programming. In the past year, CKRZ has received a \$210,000 grant from Economic Development Trust to upgrade the technology and move from an analog to digital. We received a CRTC approved increase to expand our reach from 250 watts to 5000 reaching to Ingersoll, Tillsonburg, Oakville, Kitchener, Fonthill, and Hamilton areas. Six Nations Elected Council provided a \$25,000 grant to CKRZ towards the replacement installation of our outdated and problematic bell data line with fiber. In July 2017 we completed the updating of our Ojibway, Cayuga, Onondaga, and Mohawk Languages through a \$30,000 grant received by Heritage Canada. CKRZ is awaiting a response to our most recent request to Economic Development Trust replace outdated exterior equipment such as the transmitter, generator and construction of the building to house and protect our investment.
