AGENDA ITEM NO. 6 – POST SECONDARY APPLICANTS

Education Director noted that the Education Department has reached its maximum budget for the 2017-2018 fiscal leaving 31 students unfunded for the Fall-Winter term.

The Education Department has a budget of $834,445.32 for the 2017-18 fiscal year. Applications for the Spring/Summer and Fall-Winter applications have been approved to the extent that the budget allows.

In order to fund all applicants we would require the additional funds (approximate as tuition can be higher or lower than estimated):

Priority 1’s are newly graduated and continuing students. All priority 1’s have not been approved. We have a list of 17 applicants still awaiting funding. 1 student has withdrawn and funding has been reassigned.

Councillor questioned if the Education Director normally goes over budget. Education Director answered yes for the Priority 1’s.

Executive Director noted that the interest from the Toronto Purchase Trust Education Dollars was used last year. She also stated that $750,000.00 could be transferred from the store to the Enterprise Fund, and can use the interest balance of the TP Education Funds. Chief suggested doing a submission to the Community Trust.

Executive Director reiterated that the funds to be used will be the interest from the education dollars and the balance will come from the Enterprise Fund.

AGENDA ITEM NO. 9 – INDIGENOUS PEOPLES COURT (MS)

Councillor Margaret Sault noted that Judge Gethin Edwards has established an Indigenous Peoples’ Court in Brantford for the past year and now wants to bring it to the Cayuga Court.

Discussion took place on the benefits to Cayuga and the First Nations people of an Indigenous Court in Cayuga as Brantford’s has been successful.

The first step would be an introduction and the program would be explained.

The second step - the offender gets a chance to tell his/her story.

The third step referral may take place eg. drug/alcohol counselling, anger management.

Repeaters would have a hard time to do this next time.

It is not for all offenders they can refuse if they are not ready to deal with their issues.

Works like a justice circle.

They would like to have representation from New Credit at their monthly meetings, which runs about an hour or less. It could be a Councillor or an interested Band Member.

They want to know if New Credit would like to have an Elders’ Group. An Elder could attend the court and if the offender wants to talk to an Elder they could do that. The Elders could take turns attending court.

October 18th, 2017 is the first Indigenous Peoples’ Court. They would like an Elder to open and the Chief to speak.

Next meeting is July 13th at 1:00 pm.
