

NOTICE:

Arcadis Canada Inc. Design & Consultancy has conducted existing topographical survey along Tuscarora Road #251, Second Line Road #136 and Cayuga Road #272 via drone technology to mark existing well and septic field locations.

A “Notice” and “Consent to Participate” form was hand delivered by Public Works Department staff to band members along those roads for their information.

As a reminder, please complete the “Consent to Participate” form and return it to Agimaw Gamig Administration Office located at 2789 Mississauga Road between the hours of 8:30 am and 4:30 pm Monday to Friday as soon as possible.

If you require another form please contact Public Works Department if you have any questions: Arland LaForme – Director of Public Works (905) 768-1133 Ext. 238
