

**Grants for Youth Projects / Programs**  
**Ontario Endowment Fund for Children and Youth in Recreation**  
**(OEFCYR)**

The Brant Community Foundation's Youth Advisory Committee (YAC) was formed to provide leadership opportunities for high school age youth. Members of the committee are highly committed, energetic and are looking to make a difference in our community.

The Youth Advisory Committee of the Brant Community Foundation is accepting applications that require **funding and/or volunteer support** for programs for youth in recreation. YAC volunteers will review project applications. Committee members will consider volunteering with planning and/or running activities and will need detailed information about the number of volunteers needed and the commitment required.

**What is Recreation?** According to Wikipedia, recreation is an activity of leisure, leisure being discretionary time. Recreational activities are often done for enjoyment, amusement, or pleasure and are considered to be "fun".

There is a total of \$4,500.00 funding available from the OEFCYR for the 2018-2019 grants and the amount of the grants for each project / organization will be determined by the number of organizations receiving grants. Volunteer support will be assessed separately.

To be considered eligible, projects must be:

- For youth up to 18 years of age;
- To support recreational activity for youth, in all fields such as arts, culture, music, sports;
- Communities served: Brantford, Brant County, Six Nations & Mississaugas of New Credit
- Beneficial to both youth and the community; and
- Projects may have other support (cash or in kind) from the community or other sources;

Note: no curriculum-based school activities will be considered. (e.g. field trips, special projects)

*Please note: Salaries or wages to operate the organization will not be eligible for funding.*

**Please attach to this application:**
