Aanii Boozhoo,

The Mississaugas of the Credit First Nation Chief and Council, in partnership with Emterra Environmental and Robins Environmental, are pleased to present our Solid Waste Policy Guide. Through this partnership, meaningful changes to the waste management programs within our community have been developed to minimize our carbon footprint and to ensure the health of our community members remains a priority.

As Anishinaabe people, it is our sacred duty to protect the earth and the indispensable gifts from G'zhemnidoo (the Creator). Through the Solid Waste Policy Guide, the Mississaugas of the Credit First Nation hopes to continue our sacred commitment as stewards of the earth.

Positive changes have been made in our waste management initiatives that we hope will continue to promote a *stronger, caring and connected* community. The Mississaugas of the Credit First Nation is committed to providing progressive, sustainable

programs that will continue to protect the integrity of our environment and our community.

Miigwetch for your cooperation throughout the development of this project and for your dedication to the wellness of our community.

In Friendship,

Chief R. Stacey Laforme  
Mississaugas of the Credit First Nation

## Garbage Collection Essentials

- Garbage is collected weekly on Wednesdays.
- Set out your garbage at the curb / end of your driveway for collection by 8:00 a.m. every Wednesday.
- You are entitled to four (4) bags per household.
- Bags or cans can be placed at the curb for collection, not exceeding 45lbs.
- Grass clippings are **not accepted** for curbside collection. Grass clippings can be taken to The Canborough Waste Management facility for a fee.
- Construction, demolition and renovation waste is not accepted for curbside collection. These items can be taken to Canborough Waste Management Facility for a fee.
