

Job Title: Operations / Mechanical – Indigenous Student Summer Position

After more than a century, Imperial continues to be an industry leader in applying technology and innovation to responsibly develop Canada's energy resources. As one of Canada's largest integrated energy companies, we explore for, produce, refine and market products that empower modern living. We have unique opportunities to bring research and innovation, community engagement, and our commitment to safe operations to each part of the value chain. Our company remains committed to the highest standards across all areas of our business.

Our Nanticoke refinery, located on the north shore of Lake Erie, 65 kilometers southwest of Hamilton, 40 kilometers from Oshweken, manufactures products like gasoline, diesel, and jet fuel that keep people, goods and services moving.

Imperial is committed to collaborating with Indigenous communities on a common vision for progress, sustainable prosperity and environmental stewardship. The company's goal is to achieve a workforce that is representative of the available qualified Indigenous peoples in the labour market.

Job description

Imperial Nanticoke Refinery is recruiting an Indigenous student for a summer placement. This position will be responsible for, but not limited to the following duties:

- Join a shift team and support the operation of Nanticoke Refinery
- Completion of Basic Operator Training
- Operations tasks under the direction of an experienced supervisor / employee
- Completion of special project assignments (e.g. flare source survey, pump health improvements)
- Equipment preparation for major maintenance under the direction of experienced personnel

Qualifications

Academic:

- Must be currently enrolled in a post-secondary program
- Must have obtained high school diploma or equivalent
- Availability for position duration May through August 2023

Other:

- To be eligible, candidates must be a member of a local First Nation community

- For applicants selected to be interviewed, pre-employment background screening will be required.

Start date: May 2023

Work term: May – August 2023 (4 months)

Location: Nanticoke, ON

Your benefits

This assignment will provide you with an opportunity to gain valuable experience in the energy industry. We offer you challenging, discipline-related work experience in a team-based, collaborative operating environment.

Eligibility to work in Canada

All applicants who receive an offer of employment must be eligible to work in Canada on their start date. Proof of eligibility shall be in the form of a Canadian birth certificate, Canadian passport, Canadian citizenship certificate, Canadian certificate of permanent residence, Canadian open work permit or receipt from Immigration Canada of an application for a post-graduate work permit. Proof of eligibility must be current and valid (not expired, cancelled or voided). Proof of eligibility will be required if an offer of employment is made. Failure to provide proof of eligibility at least six (6) weeks prior to the start date may result in the offer of employment being rescinded.

Imperial is committed to providing equitable treatment and equal opportunity to all individuals.

In certain situations, Imperial may use your application to consider your suitability for other positions in the company and may also provide the information to its affiliates, including affiliates of Exxon Mobil Corporation, in connection with possible opportunities at those affiliates.
