## Temporary Bus & Vehicular Traffic Route for the LSK Expansion Project

Mississaugas of the Credit First Nation Residents,

Please be advised that the LSK Expansion Project is planning a wastewater connection **beginning May 23, 2023.** This scope of work will require a “TEMPORARY” bus route (see attached sketch). Please note, in order to ensure everyone’s safety please KEEP CLEAR of this area as it will be a “CONSTRUCTION ZONE” and do not deviate from the vehicle path as this type of work will require opened trenching. This wastewater connection work will be a phased execution to minimize vehicular traffic flow, bus routing & safety of visitors and crew.

If you have any questions, please do not hesitate to contact parties shown below in (RED)
