

## SCHEDULE "B"

### *COMMUNITY WELLNESS POLICY*

This Community Wellness Policy was developed to provide financial relief for members through a reimbursement approvals application process which should not be subject to taxation as income and should not impact on any form of social assistance received by Members. This Policy will come into effect on April 1, 2011 and will operate on the fiscal year of MNCFN (April 1 to March 31).

Provided there are sufficient funds through contributions from the Toronto Purchase Trust, this policy will remain in effect annually with the approval of the budget. This program is not funded by any government agency and is fully administered by Mississaugas of the New Credit First Nation.

Any Mississaugas of the New Credit First Nation Member eighteen years of age or older, regardless of place of residency, is entitled to receive a maximum amount of one thousand and five hundred dollars (\$1,500 CAD) per year, as a reimbursement against receipts and/or invoices for, but not limited to, the following types of expenditures:

- Necessities of Life
- Medical/Dental/Therapeutic/Orthopedic and Vision care expenses/equipment (not covered under other plans)
- Property/Building/Maintenance/Rent/Transportation/Housekeeping/Personal Care
- Contractual Services
- Recreational, Traditional and Healthy Lifestyle Memberships and Activities

Similarly, any person caring for a Mississaugas of the New Credit First Nation Member eighteen years of age or younger, regardless of place of residency, is entitled to receive a maximum amount of one thousand and five hundred dollars (\$1,500 CAD) per policy year, as a reimbursement against receipts and/or invoices for caring for the minor Member.

#### *How to Submit a Claim:*

In order to process a claim for reimbursement you must submit the required receipts or invoices, along with your name, birth date, current address, telephone number, where you can be reached and status number (include a copy of your status card). Expenses claimed for minor Members by a parent or guardian must be accompanied by the appropriate documentation, including proof of legal custody in certain circumstances, and identifiable receipts or invoices for the minor Member.

You cannot claim for expenses incurred prior to the effective date of the policy year, i.e. if you have reached your maximum of \$1,500 in claimed expenses in one year, you cannot use receipts from that year to claim in the next policy year. You have 30 days after the end of the policy year to make a claim.

All claims under this Policy must be for a minimum of at least one hundred dollars (\$100 CAD) except in the case of the final claim in a policy year which can be for less than \$100 provided the outstanding amount available to that Member in that policy year is less than \$100.

Claims are subject to approval by Mississaugas of the New Credit First Nation and although we try to expedite and process as quickly as possible it can take from four to six weeks depending on the circumstances, the information submitted or lack of information. Our administrators may be required to contact a Member for further information.
