• Ability to a handle high degree of confidential and sensitive information with tact and discretion; experience working with a Board of Directors would be a strong asset.
About MCBC

Of all the business development corporations with First Nations as their shareholders in Canada, MCBC might hold among the greatest opportunities. The treaty lands and territory of its sole shareholder, the Mississaugas of the Credit First Nation (MCFN), include almost all of Ontario’s Greater Golden Horseshoe, which contains approximately two-thirds of Ontario’s GDP and one-fifth of Canada’s GDP. With approximately 8 million people, this is also the largest population concentration in Canada.

Founded in 2018, MCBC exists to build long-term wealth generation and develop short-term income opportunities for MCFN and its membership. In its pursuit of these goals, MCBC always seeks to maintain a respected and reputable profile, as well as represent the history, culture, and values of MCFN with honour, in the business community.

MCBC, as a corporation, is governed by a board of directors with all five voting directors independent of the shareholder. In addition, the board includes three non-voting directors, one each representing council, elder and youth constituencies. The corporation, through the board, is responsible to its shareholder through its annual general meeting.

Given that the Greater Golden Horseshoe will continue to have sustained growth, MCFN’s treaty lands and territory offers significant business opportunities for MCBC.

Location

This position is located on the Mississauga of New Credit First Nation near Hagersville, Ontario. Occasional hybrid or remote work may be considered at the discretion of the CEO. Occasional travel may be required.
