

Secondary Students: Welcome to the 2024-2025 School Year

Aanii:

Department of Lifelong Learning

As we prepare for the upcoming 2024-2025 academic school year, we are requesting your assistance to provide general information for our Secondary School Database. **(If you do not complete this; the bus driver will not know to stop for your child.) This info is also for the database for when school is closed or buses are running late and we need to alert you.**

We also need this for emergency contact person if we can't reach you.

We will contact you from the information you have provided.

Please keep the MCFN Lifelong Learning Department informed of changes in contact information.
