

Job Posting: Utility Person at Nawash Utilities Inc.

Position: Utility Person

Start Date: September 2024

Location: Cornwall Island, Ontario

Shift: 40 hours per week

Duration: 8 weeks

Rate: Based on the Wage Schedule (includes base pay, vacation/statutory holiday pay, Health & Welfare benefits, and GRSP)

About the Opportunity:

Nawash Utilities Inc. is an Indigenous-owned and operated company dedicated to empowering communities and building a diverse, skilled workforce. This entry-level position offers an exciting opportunity to begin a career in the expanding utilities sector. It provides a pathway for First Nations people to acquire valuable education, training, and skills needed to shape the future of the industry.

Responsibilities:

- Use hand tools and specialized equipment to install underground fiber optic cables.
- Maintain a clean and safe work environment in various settings.
- Commit to early start times (6 AM, five days a week).
- Assist in picking up and dropping off materials for ongoing projects.
- Follow directions and maintain a high level of attention to detail.

Requirements:

- Basic knowledge of hand tools.
- Familiarity with basic technology devices and applications.
- Mechanical aptitude is considered an asset.
- Related experience is an asset but not required.
- Ability to follow directions and maintain attention to detail.
- Willingness to work in all weather conditions.

Work Environment: Primarily outdoor work.

Physical Demands: Lifting, carrying, and working outdoors.

How to Apply:

Please send your resume and any related training certificates to recruit@cusw.ca. Include "Utility Person - Nawash Utilities Inc. – Cornwall Island" in the subject line.
