## MCFN Graduation Award Program Policy and Procedures

### Goal

The Mississaugas of the Credit First Nation (MCFN) graduation award program began in 2005 and provides MCFN students with awards for their academic achievements.

### Policy

The MCFN Community Trust was established in April of 1997, because of an agreement between the Government of Canada. The agreement settled an outstanding Land Claim, and the settlement money was set aside in trust for use and benefit of the community, for now and in the future. The trust funds are managed under the direction of a formal Trust Agreement and administered by eight Trustees and a General Manager.

The MCFN Lifelong Learning Department, in partnership with the MCFN Community Trust, has created the Graduation Awards Program for the student members of the First Nation. The program provides monetary awards based on the level of education the student completes, from elementary to post-graduate. The awards program is open to all MCFN members regardless of residency. All members who attend and graduate from an educational institution are eligible for a **one-time per educational level award**. No monetary awards will be given for previous years, which were not applied for.

### Procedures

1. Applications for January to December calendar year will be accepted until March 31<sup>st</sup> of the following year.
2. Awards will be processed when an application with supporting documents has been provided to MCFN Department of Lifelong Learning.
3. Submit a photocopy of graduation transcript or diploma, a photocopy of Status card, and banking information if you prefer direct deposit.
