Organizations such as MLSE, FIFA 2026, Waterfront Toronto, Ontario Place have made these requests that we have not been able to fulfill. More specifically, FIFA 2026 has asked if we can have our Youth world stage ready by the time the games are hosted here in Toronto.

The Education Department has been asked to have one of their staff be the Coordinator who will work with this Consultant.

Christine Friday is an experienced FN choreographer who has submitted her breakdown of costs in phases for a total of \$36,000.00 to get started on Phase 1 & 2. Target age group is 12 – 20 years old.

As discussed at the Council Meeting last week, we have been able to raise \$31,000.00 so far and that includes \$15,000.00 from Northland, \$10,000.00 from CN and \$6,000.00 from Jay's Care Foundation.

We agreed verbally last week to proceed with getting started and engaging Christine as soon as possible. Ogimaa-Kwe agreed to bring the Briefing Note to the Council Table to formalize this week. In the meantime, Council agreed that we would ask our individual business contacts for financial donations toward this very worthy cause.
