DIRECTION NO. 1

That the Mississaugas of the Credit First Nation (MCFN) Lifelong Learning & Awareness & Nation Well-Being Council directs Councillor Ashley Sault to follow up with where the dividing line is when Townline Road becomes Indian Line. Emergency Services, Ambulance, Police etc. need the proper address in the event of an emergency.

AGENDA ITEM NO. 4 – MATTERS ARISING FROM THE MINUTES

There were no Matters Arising from the Minutes.

Council moved to Agenda Item No. 6.

AGENDA ITEM NO. 6 – COMMUNITY CENTRE FLOORS (AS)

Councillor AS noted in her Briefing Note that the current floor in the Community Centre has begun peeling up/tearing in high traffic areas. At recent meetings/events, Seniors have tripped up on some of the raised pieces of flooring. This was observed by myself and others at a recent Community meeting.

The Public Works Department Community Centre Caretaker (Drew Kennedy) has said that he has already added this to the list of items needing replacement and has expressed this to the appropriate people. I discussed this matter with the Director of Public Works, and we agreed to work toward it.

The Public Works Director has been away for a significant period of time so I went ahead with this initiative as it has only gotten worse and **is a safety issue**. The caretakers have sourced 4 quotes from multiple companies to replace the floor throughout the building. Each one with its own pros/cons. They explored vinyl, carpet, tile, and rubber.

The recommendation is to hire Alexanian for the Stage floor for \$25,985.00 and Suburban Carpets Inc. for the remainder of the building at \$85,608.89.

The Health & Safety Committee will inspect when completed.

MOTION NO. 8

MOVED BY FAWN SAULT

SECONDED BY CLAIRE SAULT

That the Mississaugas of the Credit First Nation (MCFN) Lifelong Learning & Awareness & Nation Well-Being Council agrees to the recommended quotes from both Alexanian (\$25,985.00) and Suburban Carpets Inc (\$85,608.89) for the replacement of the Community Center floor for a total of \$111,593.89 (ONE HUNDRED AND ELEVEN THOUSAND, FIVE HUNDRED AND NINETY-THREE DOLLARS AND EIGHTY-NINE CENTS) dollars to come from Gaming or 10/2/2.

It is noted that 2nd Reading will not be allowed until there is confirmation from the Chief Financial Officer that funds are available from the Gaming Fund or Community Development Fund.

Carried

Opposed: Councillor Larry Sault – Would like to see the budgets first.

AGENDA ITEM NO. 7 – PUBLIC WORKS BUILDING EXTERIOR UPGRADES (AS)

Councillor As noted in her Briefing Note that the Public Works workshop building exteriors are deteriorating, leaking, and are full of patches/plyboard to fill existing holes. These buildings are old and need new siding.

The Public Works Department has received a quote from the company who just completed the newest build (the Grounds building) (Braemar Building Systems) – the reason for this sole source is to ensure that the buildings will match (finally), and because they are sure of the quality. The quote is to re-side all 3 buildings to match the Grounds Building which includes new metal siding, trims, and gutters.

MOTION NO. 9

MOVED BY FAWN SAULT

SECONDED BY ASHLEY SAULT

That the Mississaugas of the Credit First Nation (MCFN) Lifelong Learning & Awareness & Nation Well-Being Council agrees to the MCFN Public Works Buildings Exterior Repairs in the amount of \$123,000.00 (ONE HUNDRED AND TWENTY-THREE THOUSAND DOLLARS) to Braemar Building Systems Ltd. Dollars to come from the Gaming Fund or Community Development Fund.

Carried

Opposed: Councillor Larry Sault – Would like to see the budgets first.

AGENDA ITEM NO. 8 – MICROPHONE UPGRADES FOR COMMUNITY CENTRE (AS)

Councillor As noted in her Briefing Note that we have all suffered the frustrations of the technology struggles at the Community Centre. Though the PWD has done a great job at revamping the technology, the Microphones themselves are now due for an upgrade.

The quote to upgrade the microphones is sources from the company who did the sound upgrades throughout the Nation as well as the Community Centre – Hamilton Video & Sound. This is for 5 wired microphones (band/Christmas concerts/performances) and 4 Digital wireless microphones (presentations, community meetings, etc), as well as the wiring for the existing monitors.
