

Mechanical Labourer

Hamilton, ON

Lakeside Process Controls Ltd. ('Lakeside') is recognized as a market leader, providing complete automation solutions to a wide range of industries. Our capabilities in process management and industrial automation enable us to solve our customers' process automation challenges, keeping their operations running safer.

Our solutions range from devices that measure and relay diverse physical and chemical conditions, devices that control flow of materials, networks that transmit event-related information, to process control systems that collect information and trigger necessary actions to ensure continued operations.

Lakeside's success is due to its exceptional people. Our skills and passion for our work is the key to our strong business results. Our commitment to a culture of integrity, teamwork and collaboration is what drives our continued and sustainable growth.

We seek individuals who are engaged, capable and committed to continuous improvement.

If this sounds like you, apply today and discover your potential with Lakeside!

To apply, please visit our website [here!](#)

What you will be doing in the role of Mechanical Labourer:

Your responsibilities may include, but are not limited to:

- General mechanical assembly support in skidded solutions and M&E fabrications
- Assist functional technicians in daily activities
- Support service operations and facility where required (cleaning of machine tools, yard maintenance)
- Load and unload trucks with forklift
- Assist functional technicians in field service as required
- Occasional travel to customer sites to support Service Technician team
- Warehouse/inventory tracking using computer-based tools

Knowledge and skills required for the role:

- High school diploma (College Certificate/Diploma would be considered an asset)
- Mechanical assembly experience preferred
- 1+ years of experience working in an industrial shop environment or in a shipping/warehouse environment

- Knowledge of health and safety issues and regulations
- Forklift certification would be considered an asset

What we give YOU!

- Flexible working schedules, including hybrid remote work programs
- A competitive compensation package, with RRSP-matching
- Comprehensive benefits coverage (medical, dental, vision, EAP & on-demand virtual health care)
- A culture that promotes healthy work-life balance with above-market paid time off
- A structured training and development program and opportunities for continuous learning
- Opportunity to participate in an award-winning wellness program!

Commitment to Diversity

Lakeside Process Controls Ltd. is committed to employment equity and welcomes diversity. We believe strongly in celebrating the different perspectives and experiences that come along with having a diverse network of employees, and encourage applications from all qualified individuals, including: persons with disabilities, Indigenous persons, women, and members of visible minorities.

If you require accommodations to complete an application, please contact Human Resources at human.resources@lakesidecontrols.com and we will work with you to meet your accommodation needs.
