The council approved the minutes from Nov. 3, 2026, with some changes.

MOTION #2

MOVED BY FAWN SAULT SECONDED BY JAI KING-GREEN

That the Mississaugas of the Credit First Nation (MCFN) Regular Council accepts the Regular Council Minutes of Nov. 3, 2026, with changes:

Spelling error on agenda
Add $1600.00 for a table to Motion # 6

Carried

Second Reading Waived

Craig King came in person to the meeting at 9:16 a.m.

Audrey Rochette left the meeting at 9:24 a.m.

AGENDA ITEM NO. 4 CONTRIBUTION FROM 407 ETR PRESENTATION(CK)

Council held a discussion prior to the 407 ETR team joining the meeting. Craig stated that the funding the 407 ETR would like to provide to MCFN is intended for climate change initiatives.

The Council felt that 407 ETR should not dictate where the money should be put. It is up to the MCFN council to decide that. Chief Margaret Sault stated that she has had several meetings with the 407 ETR group and we need to be very careful about how they word the agreement.

Councilor Larry Sault asked Craig if there was an agreement in place. Craig was not sure if there was one yet. Craig stated that he had two more of these agreements coming from the 407 ETR next week.

Councillor Jesse Herkimer had a lot of concerns about the strained relationship with the 407 to date. Councillor Ashley Sault agreed. These 407 agreements should not relieve the 407 from it's duty to consult with the First Nations with other issues.

The council agreed to have the 407 ETR team join the meeting and ask questions.

Katherine Lamanna, Uche Nawwachukwa, and Christine Basil from 407 ETR joined the meeting at 9:48 a.m. via Teams.

Christine Basil took the lead and introduced everyone and did the presentation.

She stated that the 407 ETR responsibility is environmental initiatives. The team would like to talk with MCFN and see where they can collaborate with us and where the funding can fit.

Christine stated that there are separate groups in the 407ETR that do different initiatives. Our group would like to form a partnership.

Craig asked if there was an agreement for this. Christine stated that there was not. They were hoping to talk with MCFN and together they can develop an agreement that is good for both sides.

Councillor Jai King-Green asked if this was the first part of the many talks we will have. Christine said yes, it is.

Councillor Jesse Herkimer stated he looks forward to building a good relationship with this team.

The 407 ETR team left the meeting at 10:13 a.m.

Craig King asked what the next steps were for him? Councillor Ashley Sault stated that you continue conversations with the 407 ETR team and with Councillor Fawn Sault and Chief Margaret Sault. He needs to push forward and get an agreement in place.

Craig King left the meeting at 10:15 a.m.

Sherry Fukuzawa and Jordon Jamieson from University from Toronto came in on teams at 10:15 a.m.

AGENDA ITEM NO. 5- UTM- SHERRY FUKUZAWA PRESENTATION (EF)

Councillor Erma Ferrell had Sherry Fukuzawa and Jordon Jamieson from the University from Toronto Mississauga Campus join the meeting. They have been working with MCFN since 2018. In 2017 the council formed the Pillar Leads and had Pillar 4 work on projects with this team.

There are SSHRC Grants (Social Sciences and Humanities Research Council Grants), that are designed to provide funding for Social Sciences and Humanities Research Funding Opportunities. The team came in today to give an update on how the grant money is being spent.

The council acknowledged the report from Sherry Fukuzawa and Jordon Jamieson. And further all funding obtained for this fiscal year 2026-2027, must be spent on projects for MCFN by March 31, 2027.

Sherry Fukuzawa and Jordon Jamieson from University from Toronto left the meeting at 10:30 a.m.

Adam Laforme of DOCA came in person to the meeting at 10:30 a.m.

AGENDA ITEM NO. 6-HERITAGE FRAMEWORK TRANSFORMATION AND BILL 140(MD)

The DOCA department brought forward a preliminary review of the Heritage Framework Transformation (HFT) and Bill 140. This was to provide directions on priorities and concerns specific to MCFN and determine who should represent MCFN at the Standing Committee on the Interior's November 17 hearing.

DOCA also was seeking directions to complete written submissions and continue discussions with the responsible ministries on enforceable protections for MCFN's archaeological and cultural heritage interests.

DOCA continues to participate in HFT discussions. DOCA Archaeologist Adrian Blake participates in MCM's Sector Technical Table.

Bill 140, The Building Ontario Faster Act, 2026 was introduced on October 27 and passed second reading on November 2. It has now been referred to the Standing Committee.

Bill 140 will create more opportunities. Adam LaForme stated that MCFN will have to hire more people to do FLR work. Councillor Jesse Herkimer stated that this is really condensing but expanding. It is a longer process but more incentives along the way.

Chief Margaret Sault stated that there will not be a big impact on the FLR's. Adam Laforme agreed and also stated that there will be small projects that will be exempt and most of the work will not be new builds.

The council agreed that there should be involvement in the stages and that they will need a qualified individual to participate.

MOTION #3

MOVED BY JAI KING-GREEN SECONDED BY JESSE HERKIMER

That the Mississaugas of the Credit First Nation (MCFN) Regular Council approves the following for the Heritage Framework Transformation and Bill 140:

1. Receive DOCA's preliminary review and endorse the priorities outlined above as the basis for continued advocacy, subject to Council's amendments.

2. Select an oral and written participation option. Councillor Fawn Sault, a member of Chief and Council, will present MCFN's approved position.

3. Direct DOCA to complete written submissions to the Standing Committee and Environmental Registry of Ontario. The Committee deadline is November 17 at 6:00 p.m. EST. DOCA's working target for both submissions is November 17; the ERO consultation closes November 26. And send a copy to Chief and Council.

4. Following Megan's review of the consolidated AU concerns, provide Laura Blease with a focused agenda and request appropriate ministry representatives for the November 12 meeting. Continue discussions with MPBSDP on burial investigations and seek coordination between ministries where responsibilities intersect.

5. Continue developing the proposed MCFN–MCM Relationship Table framework, with clear responsibilities, expected outcomes, and a process for tracking commitments.

6. Reschedule the Chief–Minister call through Kerri and MCM after Council has considered this briefing. Prepare speaking notes reflecting Council's direction and seek concrete written commitments on MCFN's priorities

Carried

Second Reading Waived

Adam LaForme left the meeting at 11 a.m.

Council took 10 min. break and moved into camera at 11 a.m.

MOTION #4

MOVED BY JESSE HERKIMER SECONDED BY JAI KING-GREEN
That the Mississaugas of the Credit First Nation (MCFN) Regular Council agrees to move In-Camera at 11 a.m.
